

Upchurch Parish Council – Notice to Residents
Drone-Based Traffic Survey – Wednesday 11th June 2025

Upchurch Parish Council wishes to inform residents that a drone-based traffic survey will be taking place in the village on Wednesday 11th June 2025, between 7:00am and 7:00pm.

Please note that this survey is not being carried out by the Parish Council. It is being commissioned by the developer as part of the technical work associated with a planning application currently under consideration.

We understand that the use of drones may raise questions or concerns within the community. The Parish Council has been advised that the operation will be undertaken by a licensed professional drone operator, following all relevant legal, safety, and airspace regulations.

If you have specific queries regarding the survey, we advise contacting the developer directly.

Thank you for your understanding.
Upchurch Parish Council
